- This schedule is a **GUIDE**. Remote students are encouraged to follow this schedule, but may log on at other times as well. In-person students will follow this schedule in their cohort. It is designed to assist students for both in-person and remote students with getting help from a specific teacher at a specific time.
- The schedule is helpful for both students and staff in terms of time management and organizational purposes.
- 4th bell now has a designated time slot separate from lunch. This was done to accommodate teachers and students a time to converse given differing lunch schedules for students.
- Teachers can communicate with students at other times of the day. This is a guide for students and teachers as it pertains to a class schedule.
- **Butler Tech Senior Cohorts will eat C lunch**
- **Butler Tech Junior Chorts will eat B lunch**
- Students participating in after-school activities will be assigned an area to report to immediately after 2:10. All other students will need to leave immediately unless they have an appointment with a teacher
