PRINCIPAL'S MESSAGE

Greetings Northwest Knights!
It is October and fall is upon us!
We are excited to say that **Amazing Things** are on the horizon here at NWHS. Our goal is to celebrate our students, staff and community during this seasonal transition! The ultimate mission is to cultivate a safe environment where learning is engaging, student-led and fun! We strive to provide our students with opportunities that promote holistic student development! Because it truly takes a village, we ask that you as a community of parents join us in our efforts by signing up for the PTSA! We need your time and talent to provide our students with a well-rounded educational experience! We look forward to working alongside you!
