

Fees will be charged to cover the cost of supplementary materials used by students. These materials are kept by the students or consumed throughout the year. All students will be assessed a fee for technology, planner (1-5), art, communication folder, and a recorder for third graders.

First quarter report cards only will be issued to students who have unpaid fees. At the end of the school year, report cards will be held in the office for students who have not paid their school fees for the school year, or any previous years. Failure to pay deprives the student of receiving grades, according to district policy. **All unpaid fees and fines will accumulate and must be paid in full prior to attending prom and graduation and receiving final transcripts.**

Free/Reduced applications are used to determine if you qualify for a possible fee waiver. This form is available online at <https://www.payschoolscentral.com/> or in the school office for anyone wishing to apply. ***Please note, that to have any student fees waived this application is required.***
