

HEMI, in partnership with NWLSD, is looking for mentors. Mentors are needed in our community to assist, guide and help our foster youth! Mentors usually meet once a week at a student's high school or at a time beyond the school day to help develop and maintain a positive relationship with matched student.

Join us for further Information, and to Meet and Greet with HEMI leaders!

December 11, 2017

6:00 PM-6:30 PM

Northwest Administrative Office
