Dear Parents:

As all of you are aware, one of our goals with our new elementary school was to have a full size gym so that PRMS could play their games there. **PRMS basketball will start November 20.** They have a total of 14-16 games, this includes boys and girls. With that being said, we also want to accommodate the YMCA's "Y's Kids" after school care program. After listening to many concerns from parents of Y's Kids students, and working with Mrs. Weathers, Mr. Dunn, and Mr. Scherz, we will do the following to accommodate both in the use of our new school.

- **Y's Kids will stay in PRE on game days.** They will be shifted down to the lower level and have access to the Makerspace room and the Media Center. I have met with the Y's Kids' supervisors of the program, they have walked the space, and say it will work perfectly.
- Students will **only change spaces for 16 total days** (during home basketball games only).
- **We will also provide 25-30 chromebooks** for the students to use while in the Makerspace during their daily Y's Kids time.
- **Parents will park in the parking lot to the North (left side of PRMS as you face the front of the school).** There is a side door entrance to PRE where they can buzz in that leads from the parking lot to PRE. See map below.

We are installing door bells at the cafeteria and the side entrance; permanently for both basketball game days and daily access so parents can make sure Y's Kids' employees know they are at the door.

We are trying to improve communication and I hope this helps with the partnership between the school and the YMCA's "Y's Kids" Program. ➡

Below are the dates for the basketball games. Please be aware that if we have weather cancellations it might affect some dates. Otherwise these are the only dates for the games:

November 20, 29

December 3, 5, 10, 12, 17, 19

January 7, 9, 14, 16, 22, 24, 28, 30

Below is a map that shows where to park and entry to pick up your students:
